Qualification for the IFSHA World & Grand National Show

It is the *horse only that needs to be qualified*, not the exhibitor. Each horse that is entering the World & Grand National Show needs only to have been “Shown and Judged” in one regular USEF licensed Friesian class. The horse *does not* need to place. The horse *does not* need to have exhibited in each division in which it is entered at the World & Grand National Show. IFSHA members are encouraged to enter your local and Regional Championship shows to gain experience in the ring and knowledge about class rules, tack and attire. IFSHA members that are unable to attend a qualifying show may qualify on October 2nd in a pre-show qualifying class. These classes will be given regular IFSHA and USEF points, but do not count toward World Show High Point Awards.

Classes may be split if entries warrant.

There may be up to a 6-minute break where classes have been canceled.
Breaks will be scheduled throughout the show as necessary.
The two minute rule will be strictly adhered to!
