

## IFSHA 20<sup>TH</sup> ANNIVERSARY GRAND NATIONAL SHOW

The 2023 IFSHA Grand National Show was an amazing event for IFSHA exhibitors, owners, family and friends. The number of horses were lower, but the quality of horses and exhibited rides and drives were some of the best ever shown! The reality is that as we move into plans for 2024 we look to our members and exhibitors for **early** financial sponsorships because in 2023, costs were covered but the show fund was depleted. If you are able to sponsor, please consider one of the sponsorship categories listed below. All sponsors will be announced throughout the National Show by our Announcer and be listed on the IFSHA Social Media.
